

FLOOD UPDATE

FRIDAY

23RD NOVEMBER

FLOOD WALL IMPROVED -UNDER DIRECTION OF PKC ENGINEERS TEMPORARY WORKS HAVE BEEN PUT IN PLACE AT THE END OF CAMP ROAD TO AVOID A REPEAT OF MONDAY'S EVENT.

THE WORKS ARE TO ENSURE THERE WILL NOT BE A DANGEROUS BUILD UP OF WATER TO THE SOUTH FIELD. PKC ASSURE US THAT THESE ARE ROBUST.

OVER £1 MILLION OF FUNDING HAS JUST BEEN AGREED BY PKC TO HAVE THE ENGINEERING WORKS CARRIED IMMEDIATELY THROUGH TO A FINISHED SOLUTION BOTH TO THIS AREA AND THE RIVER BANK. WORKS ARE ALSO BEING CARRIED FROM NEXT WEEK TO REMOVE GRAVEL AND FALLEN TREES.

LANDOWNERS ARE BEING EXTREMELY CO-OPERATIVE.
