

Our Ref: OUT-011326

Date: 09/10/2019

Dear Sir / Madam,

**4th GENERATION TERM CONTRACT FOR MANAGEMENT AND MAINTENANCE OF THE
SCOTTISH TRUNK ROAD NETWORK – NORTH WEST UNIT
A85 DUNIRA BENDS, ST FILLANS – CARRIAGEWAY RESURFACING**

BEAR Scotland, on behalf of Transport Scotland, are proposing to carry out essential carriageway resurfacing works on the A85 trunk road, at Dunira Bends, east of St Fillans. A location plan is enclosed for geographical clarity.

Due to circumstances out with our control the start date for these resurfacing works has changed. The works will now commence Tuesday 22nd of October for 3 nights. Works will be carried out between the hours of 7pm and 7am each night.

Unfortunately, due to restricted road widths within this section we have no option but to close the road in order to ensure the safety of the workforce and members of the travelling public. The A85 will therefore be closed in both directions each night. With no suitable trunk road diversion available, amnesty periods will be provided at the following times; 20:00hrs, 21:00hrs, 22:00hrs, 00:00hrs, 02:00hrs, 04:00hrs and 06:00hrs. Motorists are encouraged to arrive prior to these times to ensure they are accommodated within the amnesty period. Emergency services and access for local residents will be maintained at all times.

Out with working hours a 30mph speed limit will be in place to ensure vehicles can safely pass over the temporary road surface.

We understand that a road closure of this nature will be disruptive and have planned the works overnight when traffic flows are lower. If you require any further information or wish to comment please contact Julie Lee, via email at NWConsultation@bearsotland.co.uk.

To view our full 2019/20 programme and for further information on the continuing investment on the North West Trunk Road network, please visit us at <http://bit.ly/BEARNWProgramme>.

Yours faithfully,

Sean Robertson
Assistant Roads Manager
For and on behalf of BEAR Scotland
