### SCVO– Community & Third Sector Recovery Programme

The Scottish Council for Voluntary Organisations (SCVO) has a useful [webpage](#) with lots of advice for community groups, including information on the [Communities & Third Sector Recovery Fund](#).

[Adapt & Thrive Programme](#) aims to support organisational change for Third sector organisations needing to adapt to the challenges presented by COVID-19. Working with an advisor, organisations will be supported to develop a plan so they can operate sustainably. This may mean developing new income streams, restructuring the organisation, or changing how services are delivered.

[Communities Recovery Fund](#) aims to support the delivery of services in communities that were suspended or reduced because of COVID-19, or the creation of new services that tackle new challenges presented. The fund offers grants so organisations can reintroduce the delivery of services and supports the adaptation of existing services or the development of new ones to tackle new community needs resulting from, or existing needs exacerbated by COVID-19.
